

As a prospective Grace Christian Academy (GCA) parent/grandparent/sponsor the cost to you is made up of 3 things: Enrollment, Tuition, and Books/Materials.

Tuition can be paid in full or monthly and is the best value in the Carson Valley. We have worked diligently to keep tuition and fees simple. A discount is available for families with 4 or more students. Enrollment fees are required to offset administrative costs (accounting & administrative systems, invoicing, collections, etc). Book and material fee covers textbooks, classroom materials, as well as usage of Chromebook and software licensing fees.

1 - Nevada Assembly Bill 165 (AB 165) established Education Fund of Norther Nevada (EFNN; <http://www.efnn.org/>) that provides scholarships for students with financial need. Applications can be found on the EFNN website @ the following link: <http://www.efnn.org/nevadachoice/index.html>.

2 – If then, you do not qualify for the AB 165 EFNN scholarship, tuition assistance may be requested from the GCA school board through an application process. For more information, please reach out to the GCA administrator.

Please don't let financial burden keep you from applying.
